Subject: Commitment letter to Comply the Adaptation Fund's Environmental, Social and Gender policy.

Dear Mr. Mikko Ollikainen,

Greetings from Palli Karma-Sahayak Foundation (PKSF).

Since its establishment in 1990, PKSF has been working for the poor and ultra-poor of Bangladesh, primarily through its network of Partner Organizations (POs). Over time, PKSF has grown beyond microcredit to encompass skill development, education, health, nutrition, awareness building, direct employment linkages, climate change and environmental resilience, marketing, and value chain development. Its central mission is to provide comprehensive and inclusive services that sustainably improve the lives of low-income people.

Accountability and transparency remain at the core of PKSF's work. The organization maintains a strict zero-tolerance policy toward fraud, financial mismanagement, and any form of malpractice. In line with its commitment to responsible development, PKSF has adopted a robust Environmental and Social Management Framework (ESMF) as well as a Gender Policy to ensure gender considerations are integrated into all programs, particularly those focused on climate change adaptation.

PKSF is deeply committed to embedding environmental, social, and gender safeguards in every aspect of its operations and projects. In this regard, the organization pledges full compliance with the Adaptation Fund's Environmental and Social and Gender Policy, upholding these principles with the highest standards of accountability, transparency, and integrity.

We thank you for your cooperation.

Sincerely,

(Md. Fazlul Kader)
Managing Director
